SUMMARY

Aspiring Software Engineering student with experience in full-stack development, API integration, and system design. Interested in building scalable web applications and exploring AI and cloud technologies.

EXPERIENCE

Full-Stack Developer (Student Project Work)

- Worked on full-stack web application development using Node.js, Express.js, and MySQL
- Implemented authentication and authorization systems with role-based access control
- Designed and optimized relational database structures for efficient data management
- Built RESTful APIs and handled backend logic for multiple application features
- Applied software design principles including MVC architecture and modular coding practices

PROJECTS

Government Feedback and Notice System

- Full-stack web application with Node.js, Express.js, MySQL, JWT authentication, and CRUD-based system design

AI Assistant Web Application

- Built a chatbot-style assistant using API integration for real-time conversational responses

Sathi Business Plan (Concept Project)

- Designed a digital platform concept focused on solving real-world user problems through structured business planning

EDUCATION

Pokhara University

Bachelor of Engineering in Software Engineering (Pursuing)
Pokhara, Nepal

2022 – 2026

Motherland Secondary School

+2 in Science
Pokhara, Nepal

2020 – 2022

Tribhuvan Adarsha Model Secondary School

Grade 9–10
Syangja, Nepal

2018 – 2020

Balhit Basic School

Grade 1–8
Syangja, Nepal

2010 – 2018

SKILLS

- **Programming Languages:** JavaScript, C, SQL, HTML, CSS
- **Backend Development:** Node.js, Express.js, RESTful APIs
- **Database:** MySQL (schema design, queries, normalization)
- **Tools & Platforms:** Git, GitHub, Postman, VS Code, npm
- **Core Concepts:** MVC Architecture, Authentication & Authorization, API Development, Basic DevOps

CERTIFICATIONS & TRAINING

- **Cloud & DevOps Technology Workshop** – 30-hour hands-on training covering AWS fundamentals, CI/CD concepts, and cloud deployment basics
- Published technical learning article on Medium covering Cloud and DevOps fundamentals and practical insights

INTERESTS & HOBBIES

- Football and Basketball
- History, Philosophy, Astrophysics and Scientific Exploration
- Watching Movies and Webseries

LANGUAGES

- Nepali – Native
- English – Fluent
- Hindi – Fluent
